WHY ESTABLISH A PARI SEVA PARIWAR INSTITUTE?

Establishing a **Pari Seva Pariwar Institute** offers an opportunity to participate in a growing ecosystem focused on education, professional development, and community empowerment.

Key Opportunities Include:

- Participation in a **multi-sector skill development initiative.**
- Access to **approved training programmes** across relevant professional fields.
- Institutional equipment and **resource support** as per the agreed terms.
- **Marketing and promotional assistance** for local outreach.
- Opportunities to **develop connections** with students, trainees, and the local community.
- Contribution to **employment readiness,** vocational education, and skill development.
- An opportunity to support the development of a skilled and professionally capable workforce.

The institute operator will be responsible for maintaining the premises, managing day-to-day operations, ensuring the availability of qualified trainers, complying with applicable regulations, and maintaining the quality of training services.

OUR COMMITMENT

- At **Pari Seva Pariwar**, we believe that education should create opportunities, skills should lead to progress, and professional training should empower individuals to build a better future.
- Through **Pari Seva Pariwar Institute**, we aim to develop a network of training centres that supports practical learning, professional development, entrepreneurship, and community advancement.
- We invite eligible individuals and organisations who share this vision to explore the opportunity to establish a **Pari Seva Pariwar Institute** and become part of our journey towards a more skilled, capable, and empowered society.

Building Skills. Creating Opportunities. Empowering Communities.

Skills Education Better Future

OUR VISION

The vision of Pari Seva Pariwar Institute is to establish a **comprehensive, accessible,** and **career-oriented training ecosystem** that empowers individuals with **practical knowledge, professional skills,** and opportunities for **sustainable livelihood.**

We aim to bridge the gap between **education and employment** by providing **quality training programmes** across multiple sectors. Our objective is to prepare individuals for **emerging career opportunities,** encourage **entrepreneurship,** enhance **professional capabilities,** and contribute to the **social and economic development** of communities.

Through a wide range of **skill development** and **vocational training** initiatives, Pari Seva Pariwar Institute seeks to create a future where individuals from different backgrounds can access relevant learning opportunities and develop the **confidence** and **competence** required to succeed in a changing world.

INSTITUTIONAL INFRASTRUCTURE REQUIREMENTS

Individuals or organisations interested in establishing a Pari Seva Pariwar Institute must arrange suitable premises with a minimum carpet area of **1,000 square feet.**

The premises should be appropriate for educational and training activities and provide sufficient space for the following facilities:

Reception Area

- A dedicated space for welcoming students, visitors, and prospective applicants.

Administrative Office

- An office for admissions, documentation, record management, and daily administrative operations.

Classrooms

- Adequate classroom space for theoretical learning, group discussions, and educational activities.

Practical Training Area

- Suitable space for practical demonstrations and skill-based training, according to the courses offered.

Equipment & Learning Facilities

- Appropriate furniture, teaching aids, training equipment, and other essential resources.

Basic Infrastructure

- Proper lighting, ventilation, electricity, internet connectivity where required, and suitable sanitation facilities.

The institute premises must comply with applicable local regulations, building safety requirements, and the operational standards prescribed by **Pari Seva Pariwar.**
