ZONAL SUPER STOCKIST ASSOCIATE MEMBER ALLOCATION PLAN

One Super Stockist Associate Member for Each Zone

Under the proposed **PRISEBA PARIWAR** distribution network, India will be divided into **10 operational zones** to appoint **one Super Stockist Associate Member** in each zone.

This structured approach will establish a dedicated stock management and distribution point in every zone, enabling efficient product supply, inventory management, and coordination with designated PRISEBA PARIWAR Hubs and Institutes.

Proposed Allocation

Total Operational Zones	Super Stockist Associate Members per Zone	Total Super Stockist Associate Members
10	1	10

Operational Framework

Each Super Stockist Associate Member will be responsible for managing stock, maintaining inventory records, coordinating dispatches, and supplying approved products and equipment to the designated Regional Marketing Associate Members, Hubs, and Institutes within their assigned operational network.

The respective Zonal Marketing Associate Member will facilitate onboarding, registration, and the assignment of Regional Marketing Associate Members in accordance with the company's authorised organisational structure.

Building a Strong Distribution Network

- By appointing 10 Super Stockist Associate Members across 10 zones, PRISEBA PARIWAR aims to establish a systematic and scalable distribution network with clearly defined responsibilities and regional coordination.
- This model will support organised inventory management, improved supply-chain efficiency, and the expansion of PRISEBA PARIWAR's services across India.

Our Objective:

One Zone. One Super Stockist Associate Member.
One Stronger Distribution Network.

SUPER STOCKIST
ASSOCIATE MEMBER PROGRAMME

Joining Process, Financial Structure, Infrastructure Requirements & Operational Responsibilities

Together Towards a Brighter Future

1 INTRODUCTION

PRISEBA PARIWAR operates through a structured distribution network designed to ensure the efficient storage, management, and supply of products and equipment to its service network.

The Super Stockist Associate Member plays a vital role in this system by receiving stock from the company, maintaining inventory records, managing storage, and supplying products and equipment to designated PRISEBA PARIWAR Hubs and Institutes.

The Super Stockist operates under the authorised organisational structure and coordinates with Regional Marketing Associate Members assigned by the Zonal Marketing Associate Member.

This document outlines the joining procedure, financial commitments, infrastructure requirements, stock allocation, and operational responsibilities associated with the programme.

2 JOINING PROCESS

Interested candidates can join the programme through an authorised Zonal Marketing Associate Member.

The joining process involves the following steps:

1	**Initial Enquiry**	Contact an authorised Zonal Marketing Associate Member to understand the programme.
2	**Programme Orientation**	Learn about the role, financial commitments, infrastructure requirements, and operational responsibilities.
3	**Registration**	Complete the registration and profile creation process.
4	**Account Activation**	Pay the prescribed one-time, non-refundable activation fee of ₹4,999.
5	**Infrastructure Arrangement**	Arrange suitable premises according to the company's requirements.
6	**Security Deposit**	Complete the prescribed security deposit process.
7	**Verification and Approval**	Complete the applicable verification and onboarding formalities before commencing operations.

Important: The Super Stockist Associate Member cannot independently appoint other Super Stockists or Regional Marketing Associate Members. Such appointments and assignments are managed through the company's authorised organisational structure.

3. ACCOUNT ACTIVATION FEE

The prescribed account activation fee is:

₹ 4,999 | One-Time, Non-Refundable

- The fee is payable once during the account activation process.
- After registration, the candidate must pay the activation fee through the company's authorised payment channel. The account will be activated following successful payment verification and completion of the applicable formalities.
- The activation fee is separate from the security deposit and does not independently guarnatee stock allocation or operational approval.
- Candidates should retain the official payment receipt and transaction details for future reference.

Secure Payment | Verified Process | Account Activation

4. REFUNDABLE SECURITY DEPOSIT

The proposed security deposit for the Super Stockist Associate Member programme is:

₹ 20,00,000 | (Twenty Lakh Rupees Only)

The deposit is separate from the account activation fee and is intended to support the agreed stock management and distribution arrangements.

Instalment Structure

Instalment	Percentage	Amount
First Instalment	30%	₹6,00,000
Second Instalment	35%	₹7,00,000
Third Instalment	35%	₹7,00,000
Total	**100%**	**₹20,00,000**

The company should provide written payment instructions, receipts, and confirmation of each instalment.

Payments must be made through authorised channels according to the agreed schedule. The company should provide written payment instructions, receipts, and confirmation of each instalment.

Refund Conditions

The security deposit is intended to be refundable, subject to the written agreement.

The refund process may include:

- Verification and reconciliation of stock and equipment.
- Review of outstanding inventory balances.
- Assessment of documented shortages, losses, or damages.
- Deduction of verified amounts recoverable under the agreement.
- Refund of the remaining eligible balance within the agreed timeline.

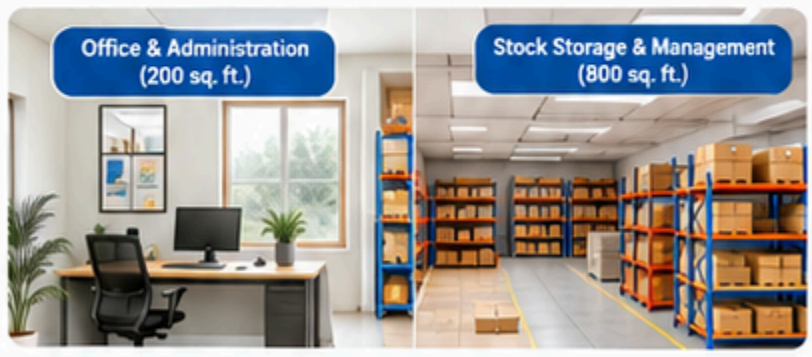
The written agreement must clearly specify the refund conditions, applicable deductions, and processing period.

5. INFRASTRUCTURE REQUIREMENTS

The Super Stockist Associate Member must arrange suitable premises with a proposed minimum area of **1,000 square feet**.

The premises should support administrative work, secure stock storage, inventory management, and dispatch operations.

Area	Space	Purpose
Office & Administration	200 sq. ft.	Documentation, communication, stock records, and coordination
Stock Storage & Management	800 sq. ft.	Inventory storage, verification, organisation, and dispatch
Total	**1,000 sq.ft.**	**Complete operational facility**



The office should maintain stock registers, delivery records, payment documents, and communication records.

The storage area must be secure, organised, and appropriate for the products and equipment handled. Incoming and outgoing stock must be documented, and damaged or defective items must be reported promptly.

The company may inspect and verify the premises before approving stock allocation and commencement of operations.

6. ORGANISATIONAL STRUCTURE & ASSIGNED NETWORK

The programme follows this operational structure:

ZONAL MARKETING ASSOCIATE MEMBER → **SUPER STOCKIST ASSOCIATE MEMBER** → **ASSIGNED REGIONAL MARKETING ASSOCIATE MEMBERS**

Zonal Marketing Associate Member

- Facilitates the Super Stockist's onboarding and registration.
- Guides the candidate through account activation.
- Assigns Regional Marketing Associate Members to the operational network.
- Communicates applicable organisational guidelines.

Super Stockist Associate Member

- Receives and manages stock.
- Maintains inventory records.
- Coordinates supply requirements.
- Distributes approved products and equipment to designated Hubs and Institutes.
- Reports stock movements, shortages, and replenishment requirements.

Regional Marketing Associate Members

- Coordinate activities within their assigned domains.
- Communicate the supply requirements of their designated Hubs and Institutes.
- Coordinate with the Super Stockist according to authorised procedures.

The company should document the assigned geographical coverage and designated service locations to ensure clear distribution responsibilities.

7. STOCK ALLOCATION & MARKETING SUPPORT

Under the proposed programme structure, the Super Stockist may receive:

Products and Equipment

₹49,50,000 (Forty-Nine Lakh Fifty Thousand Only)

Marketing Support

₹50,000 (Fifty Thousand Only)

These figures are indicative and must be confirmed through official documentation.

The company should provide a detailed inventory statement specifying the products, equipment, quantities, and applicable valuation. It should also clarify whether marketing support will be provided through promotional materials, services, equipment, or other approved resources.

Upon receiving stock, the Super Stockist must verify quantities, inspect item conditions, record discrepancies, and retain delivery documents.

The written agreement must clearly establish stock ownership, custody, permitted use, transfer conditions, and return obligations.
